2015 reflections...

Tena koutou katoa. Goodness - it's hard to believe the year is coming to an end!

My thanks to everyone at St Mary's Catholic School who has made 2015 such a good year for us all – and for your help and encouragement in getting through the (occasional) difficult patches too, which are a part of life.

We are all very sad that Mrs Sally Washer is finishing as Director of Religious Studies, a task that Sally has accomplished with such panache. I firmly believe that St Mary's is the Catholic School it is today because of Sally's commitment to the school, and her passion for all things Catholic. We wish you a long and happy retirement Sally.

Pope Francis has named 2016 a Year of Mercy, and mercy is a key dimension of the charism of any Catholic school. I look forward to seeing how this invitation from our Holy Father is brought to life by our teachers and students during 2016.

Father Edwin and I enjoy our involvement in the life of St Mary's Catholic School, and we take this opportunity to wish you all a very holy and happy Christmas, and every blessing in the New Year.

Nga mihi o te Wa ki a koutou katoa – nga kaiwhakaako, nga kaimahi, te Poari, nga tamariki, nga matua. Kia tau te rangimarie o te Ra Whanau o te Ariki ki a tatou.

Message from the Principal

**Ng mihi nui kia
koutou katoa**

I would like to start by expressing by warm and sincere wishes to all members of our St Mary's Catholic School Community as we farewell another year

of learning and progress. I would also like to thank each and every one of you, parents, children, teachers and friends for the special qualities you each contribute to this school of faith.

As a Principal I am lucky to have the opportunity to visit a variety of learning environments throughout a school year as I evaluate and determine future strategic priorities for St Mary's. As I look at other schools, or am furnished with information in regard to modern approaches to learning, I naturally measure this against what I see on a daily basis at our school. In doing so I am never envious of what others may have but, conversely, am constantly reminded of the unique sense of actuality that St Mary's allows us to experience every day.

There will always be new objectives and strategic priorities as timely areas of focus and development. It is the essential spirit of our school, our foundational Wairua, that we are constantly engaged with. In doing so we not only benefit from the traditions that have shaped our school culture but take the opportunity to contribute and grow our community as one that benefits all.

The more time I spend as Principal of St Mary's the more I recognize that we are a school that is at the forefront of Catholic primary school education. Evidence of this is manifested in many ways including student achievement,

pedagogical development, co-curricular opportunities, and spiritual growth. Our teachers and staff are definitely one of our keys of success, something reflected in improving student achievement.

Our teachers work hard for the betterment of the students they serve. I personally would like to thank you all for the effort and passion you have brought to your roles this year. You collectively recognize and demonstrate what it means to be an innovative practitioner. I look forward to sharing in this continual journey of growth and development with you.

I would like to congratulate our departing year 6 students, leaving our school but still very much a part of our community. The memories each of you take from St Mary's will be individually special, unique and yours to cherish. The completion of your primary schooling should be seen as both an achievement and a stride towards your future goals and achievements. Most of all, it is a time to be immensely proud of who you are. I look forward to touching base with you in the future, sharing your successes and hearing of your aspirations.

In closing, I want to thank all those from within our community who have contributed to the success of this year. The commitment and enthusiasm so many of you actively display towards our school truly makes this a place to embrace. I am looking forward to 2016 with the promise of welcoming new students and families to our amazing school.

I wish you all a happy and peace filled Christmas. Mere Kirihimete.

BOT Chair Message

As we approach the end of the year, it is an appropriate time for reflection. I feel immensely privileged to take a look back at 2015 and acknowledge all those who are helping St Mary's turn its vision into reality; it is certainly a joy to be part of this school community.

A school is only as good as its staff and we are blessed to have a wonderful staff led by our Principal, Mr Ben Fuller. Congratulations and thank you to our very dedicated, professional and caring group of teaching professionals.

Our school is an incredibly supportive environment, fundamental to helping create this are Father Mark, Father Edwin and the enduring work of the Cluny Sisters. Their pragmatic approach, willingness to listen and ability to engage our students with wisdom, wit and kindness has certainly strengthened the relationship between our school, the parish and the sisters.

The Board of Trustees takes seriously the mandate to safeguard the Special Character that makes our school unique along with the mandate to ensure each and every student has the opportunity to achieve to their fullest potential. All our decisions are filtered through these two lenses.

The Board continues to work closely with Mr Fuller and his team in looking ahead and outlining steps to be taken to ensure the school is well positioned for the future. These steps are underpinned by

taking a holistic approach to student achievement and development – academic, social, cultural and behavioural.

I'd like to acknowledge my fellow board members. Your professionalism and pragmatism has been fundamental to sound governance at St Mary's and helps St Mary's position itself as a leader for Catholic education in the Bay.

It is also very fitting that I thank the school's PTA for their significant contribution, particularly long serving members Leanne Mackay and Julie Simpson.

To our year six students who are moving on to Aquinas or other schools, I hope you take with you very fond memories of your time at St Mary's and I wish you every success for the years ahead.

I have no doubt at all that you have every potential to realise your dreams.

On behalf of the Board of Trustees I'd like to wish everyone involved with the St Mary's Catholic Primary School a very happy and holy festive season and a prosperous new year.

Community of Learning

As you may be aware, one of the present Government initiatives has been to encourage schools to join together as Communities of Learning, the objective of this being to raise student achievement as well as offer new career opportunities for teachers and principals.

We have made steps to utilise this initiative by joining with other Catholic Schools in the Bay of Plenty and South Waikato to form a Faith Based Community of Learning.

Research shows that within schools, the quality of teaching has the biggest influence on whether students succeed. In coming together to combine strengths of a community will enable teachers to work together and benefit from each other's knowledge and experience.

Our community of learning was officially endorsed by Minister of Education, Hekia Parata earlier this month and will take effect early next year.

Ash Wednesday

A group of children in biblical costumes are standing outdoors near a wooden cross. One child is holding a sign that says '1'. They appear to be participating in a Stations of the Cross activity. The text 'Stations of the Cross' is overlaid at the bottom of the image.

Events to Look Forward to

Next year we will of course be holding a number of exciting events and occasions at St Mary's but there are a couple which we would like to make special note of.

Poseidon's tale of the deep blue sea

In term 2 of 2016 we will be holding a school production that will involve students from years 2 to 6. It has been many years since St Mary's has been involved in a large scale school production so we are extremely excited to announce Poseidon's tale of the deep blue Sea. To support us in the organisation of our production will be Gobsmacked Productions, a local company with successful recent experience in leading the organisation of school shows. We are looking

forward to working with them as we embark on what will be an extremely memorable experience for the many children involved.

Ra Whakangahau 2016

In 2013 we participated in the annual Ra Whakangahau Kapa Haka celebrations as a school for the first time in a number of years. This has continued in 2014 and 2015 and next year we will be hosting this prestigious event. This event is traditionally held late in term 4 and is supported by a number of Western Bay of Plenty Primary and Intermediate Schools. We are looking forward to joining with our other Catholic Schools to bring a Katorika theme throughout the festival.

Jubilee

St Mary's Catholic School 75th Jubilee

In 2017 St Mary's Catholic School will be celebrating 75 years since first opening for instruction in 1942. Organisation for this is under way with the opportunity for all interested to register for more information on our school website in the near future.

Uniform

In 2014 we started the transition to a new multi season uniform. We have been extremely pleased with the uptake of the new uniform with the majority of students having made the change. In 2016 the new St Mary's Uniform will be compulsory for all students from years 1 – 5. Year 6 students still have the opportunity to wear the old uniform for one more year. As I am sure you are aware, NZ Uniforms are stockists of our new uniform and can help you with all uniform inquiries.

In addition to this we will be holding a second hand uniform sale (of new uniform items) on Wednesday 27 January at 12 pm in the Blessed Anne Marie Javouhey Centre. Look out for further information.

Buses

All buses will commence as normal on 2 February 2016.

Thank you from Mrs Low

To all of the parents and supporters of St Mary's School sport, I would like to thank you for the many hours of volunteer time that you have contributed to the Sports programme. My job has been made infinitely easier by the enthusiasm, passion and energy you bring to the various sporting opportunities offered at our school. Your willingness to contribute to your own child's activities has benefitted so many more children and, for that, we are so very thankful. I will miss this wonderful school I have been part of for nine and a half years. The staff and students who are staying on are so fortunate to be here, and be part of this loving family we call St Mary's School. Good luck for 2016, and I will see you on a sideline somewhere soon.

2015 Contributions from our PTA

Thank you to our fantastic parent community for their support and help this year, our fundraising efforts this year went towards our children in the following ways:

- Final payment for the BAMJ Centre \$20,000
- School Camps \$ 3,000
- Retreat and Leadership day \$ 3,000
- Classroom Donations \$ 3,500
- Sports Equipment \$ 1,500
- Special Needs Donation \$ 500
- School Magazine \$ 500
- Art Week \$ 3,000
- Planting outside BAMJC \$ 4,600
- Trophy Cabinet \$ 3,000
- Library Books \$ 5,000
- Classroom Furniture \$ 3,000
- ICT \$ 5,000

Sadly we say goodbye to several dedicated PTA members this year, a very special mention to Leanne Mackay and Julie Simpson who have together given 18 years of volunteering to our School and PTA.

Quiz Night

This year the Taylor Brothers St Mary's Fireworks Gala was another huge success. After last year's massive crowd the Fireworks Gala Event Team made the decision to downscale the size of the event to make it more family friendly. Even still the event still attracted approximately 4,000 people and we made approximately \$20,000 for our school community. Thank you again to all who were involved in making this amazing event happen.
