2016 reflections...

Message from the Principal

Ng mihi nui kia koutou
katoa

In preparing words for the end of 2016 there is of course a multitude of success, many examples of achievement and numerous reasons to

celebrate as we complete the year.

As principal I am privileged to witness the growth and development of our school on a daily basis. When continually connected to an organisation, change is not always obvious. However, as we reflect on those many causes for celebration at St Mary's, consistently evidenced are the many quality educational outcomes we provide.

It is the students and their many achievements that continue to make us all proud. Their enthusiasm, commitment, and the ability to embrace and promote the St Mary's Special Character in everything they do is a very, very special thing and one we should all be proud of.

"It's treacherously, tantalising, terrified traversing, The trek, to the top! The trek, to the top!"

I have not forgotten the presence and unity of over 400 of our finest St Mary's students in harmony on the Bethlehem College Auditorium Stage and I am sure all who took part in this musical production will not forget it either. Events such as these do not just happen, they take the vision and the determination of a community to provide an opportunity where young people can explore and express the talents we saw displayed over three unforgettable performances.

Another example of determination and commitment, of mana ratou whakahi, from within our whanau, was the successful hosting of the 2016 Tauranga Moana Ra Whakangahau Kapahaka Festival. However, this was not

just about hosting a popular event, it was the culmination of an objective.

E te whainga o te whanau o Hato Maria

An ambitious act to further enhance our community's commitment to te tiriti o waitangi and to celebrate our bi culturalism as a school. My congratulations goes to te whanau o hato maria tatou. To all of us who contributed in so many ways, be it putting up tents and infrastructure, preparing kai or just turning up to purchase it and be present.

The foundation of any school should be learning and we are extremely fortunate to have such a wealth of expert practitioners in our teaching staff. We have been complemented informally by the Education Review Office and equally await their report which I am sure will demonstrate fair recognition of the work that so many of our teaching and support staff apply themselves to in a tireless fashion.

Congratulations to our year 6 students, leaving our school but still very much a part of our community. The memories each of you take from St Mary's will be individually special, unique and yours to cherish. The completion of your primary schooling should be seen as both an achievement and a stride towards your future goals and achievements.

Being Principal of St Mary's is a privilege and it is the sense of community, student, parent and parish that consistently reminds me of this. St Mary's students consistently present reason to celebrate through the many examples of success - academic, sporting and cultural. We are a school of opportunity, opportunity that wouldn't be able to develop if it weren't for a strong base and sense of community.

Wishing you all a very blessed Christmas and safe New Year.

Ben Fuller
Tumuaki

Trek to the Top

Ra Whakangahau Kapa Haka Festival

BOT Chair Message

Well, yet another busy, eventful, inspiring and memorable year at St Mary's is coming to an end, and I'd like to take this opportunity to reflect on and celebrate some of the wonderful events and achievements we've seen as a school and community in 2016.

The Outdoor Adventure Day welcomed in the new school year yet again, and this always fosters a great sense of fun and community spirit. Likewise the hugely successful Production 'Trek to the Top' showcased some exceptional talents amongst our students and staff.

The visit from some of the most senior Cluny Sisters from around the world during ERO Review week was a perfect way for us to reflect on our beginnings, especially with our 75th Jubilee coming up next year. Let us all remember and act on the Charism of our school from Blessed Anne-Marie Javhouey: 'Do a little good each day'.

The ERO Review this year allowed us to show how St Mary's and its students are progressing, and the innovative teaching practices we've implemented since their last review. We have no official report as yet, but we do know that generally ERO were very impressed. This deserves a round of congratulations for Mr Fuller and his dedicated teaching and support staff, who should be very proud of this acknowledgement. We look forward to continuing, strengthening and consolidating that hard work next year.

The Ra Whakangahau Kapa Haka Festival was yet another opportunity to showcase our school, our values, our students, our strong commitment to Taha Maori, and Catholic community spirit. Well done to all involved.

We look forward next year to working with the community to review our School Vision and develop a graduate profile of the values, skills and knowledge we hope to see our students leaving our school with. As always, we'll also continue to foster and nurture our Special Catholic Character and our relationships with the Parish and our Cluny Sisters.

The biggest exciting change in store for us will be our new purpose built classrooms which will fully support the principles and practice behind collaborative teaching. We are expecting the build to start early in the new year.

Our newly elected Board of Trustees were very fortunate to have had a fantastic handover from the previous Board, who left clear priorities and key working relationships for our new board to build on. Our thanks and appreciation go out to you.

The actual hands-on, get-the -best-out-of-our students learning is put into place by Ben and his very capable senior leadership team and all the committed hardworking staff at the school. This is where you see the magic happen, your children blossom, and even though some may struggle, achievements are seen every day in some way or other. Thank you to Ben and all the staff for your ongoing support and dedication towards this goal.

We wish our graduating Year 6 students all the very best for the next step in their educational journey. We trust that you will all continue to thrive and grow with the skills and values learnt at St Mary's as a great starting point.

Special thanks and prayers to Father Mark, Father Santy and Father Stuart, and our Cluny Sisters. The school and Board values your support and guidance and involvement in our numerous special liturgies and masses throughout the year.

Huge thanks also to our fantastic and hard working PTA. All your endeavours and efforts help to ensure we can fund wonderful resources and opportunities for the school. You truly uphold our current school vision with your '...willing hands and creative minds...'. Special mention to those members who have dedicated many selfless hours and are leaving our school this year, Tracey Nirmalaraj, Donna Schrama, and Kerry Abel.

On behalf of the Board, I wish you all the best for a happy, healthy and blessed holiday season and New Year.

God Bless

Claire Stott
Board Chairperson

2016 Special Character Refelection

We start with great thanks to God for all the blessings we have received this academic year; for the opportunities we have had in our life journey, always knowing that God is at our sides and in our hearts.

The focus on the Jubilee year of Mercy has provided students with many opportunities to be reflective and creative. Students have certainly risen to many challenges this year and have acted with great mercy, they have definitely made the difference for many in need.

Students have focused on writing and listening to prayers and reflections about others in need, especially migrants and refugees. The great generosity of the community in praying and gifting to the refugee families and St Vincent de Paul at the end of this year was very humbling.

There have been many highlights this year, our very special class and school Masses. Each Monday students have participated in liturgies, termly welcoming new families and our special grandparents liturgy all help in building our Christian community.

Gavin Hesqua in the role of DRS for the first two terms led students in the Lent, Holy Week and Easter reflections and celebrations.

Personally I would like to thank you for the warm welcome to myself and my family to the school community in Term three, we have felt very welcome and truly feel part of the wonderful St Mary's Whanau.

Our links with the Cluny Sisters was strengthened this year with the visit of 12 International visiting Sisters. Students learnt how they can be like Blessed Anne Marie Javouhey in their daily lives by doing a little good every day. It is always a lovely gift to see Sister Gabrielle, Sister Allison and Sister Emile at our school weekly and we are thankful for the way they help us to grow closer to God by their presence in our school.

The Sacramental program has supported students in their faith growth this year. Earlier in the year many students received the sacraments of First Communion and Confirmation. In December many students made their First Reconciliation after preparing for the sacrament in classroom lessons.

We are thankful for our amazing priests who support us in class masses and school masses, in liturgies and overall in the school. In July the school were sad to farewell Father Edwin. Soon after we welcomed Father Santey to the parish. We keep Father Mark in our prayers as he recovers from his recent surgery. Gratefully we thank Father Stuart who has been filling in for him.

The school is fortunate to have great support from our parish secretary, Margie Cooper who helps in many ways and many parishioners who attend our class masses and other activities. Keeping our needs in their prayers.

We wish all our whanau a very blessed Christmas and a safe break, looking forward to another exciting year in 2017.

Ngā mihi o te Kirihimete me te Tau Hou.

Ma lo koutou e manaaki,
e tiaki, i nga wa katoa.

Teresa Rush (DRS)

From the PTA

As the end of 2016 draws near I would like to take this opportunity to celebrate another successful fundraising year by thanking the amazing PTA team who have all worked hard to fundraise for our School. I would also like to thank our amazing Friends of the PTA and all of our St Marys School Community, without your support our fundraising efforts would not be possible.

Our two main fundraisers were a huge success this year, the famous St Marys Quiz night, organised by the amazing Claire Stott and team raised an amazing \$7,000.00, and our Math-a-thon was also a huge success making over \$8,000, a huge thank you to Amanda Donald, Pip Berquist and all the Math-a-thon team!! The PTA were also privileged to be involved with this year's Ra Whakangahau Kapa Haka Festival, it was a lot of fun and such a privilege to watch our kids perform with other amazing schools from the Bay of Plenty.

The PTA were hugely disappointed not to be able to bring our famous Fireworks Gala to St Marys in 2016, I am sure you can appreciate that a big event like this needs many hands on deck, however with support from our School Community we are looking forward to making this our main Fundraiser of 2017!

We would love to welcome you onto our wonderful PTA in 2017, PTA is such a great way to get involved in the fundraising and activities of St Marys, we have loads of fun and laughs! If you want to hear more about joining the PTA, please email us one PTA@stmarystga.school.nz.

On behalf of the PTA I would like to wish all our St Marys families a very Merry Christmas and a safe and happy holiday.

God Bless,

Tammy McGrory
PTA Chairperson

Save the Date

2017 PTA Events (Dates TBC):

- Friday 10th Feb – PTA Coffee Cart
- Tuesday 14th Feb – PTA Meeting 7pm
- Friday 10th March – PTA Outdoor Adventure Day
- Saturday 20th May – PTA Quiz Night

PTA Graduates

The St Marys PTA would like to thank the following 2016 PTA Graduates ...

Tracey Nirmalaraj
Kerry Abel
Donna Schrama

Thank you to these wonderful ladies for all their hard work and commitment to the PTA and St Marys School over the years. You have left big shoes to fill and will be greatly missed.

Treasurers Report

The PTA contributed/donated over \$35,000 to the school during the last year. We'd like to share with you how our fundraising is utilised for the benefit of all our children:

Pastoral Care	\$1,500
Year 5/6 Camp	\$3,00
Retreat	\$500
Classroom Donations	\$4,500
Sports Equipment/Uniforms	\$3,500
School Magazine	\$500
Choir Trip	\$500
ICT	\$10,000
Cluny Foundation	\$6,000
School Production	\$5,000

Year 6 Favourite Memories

"My best memory for St Mary's School was watching all the schools perform at the Ra Whakangahau."

"My most memorable time at St Mary's is my first day of school when I was walking in the gate and meeting new friends."

"One of my most important memories at St Mary's would have to be my first day at school because everyone was so kind and caring to me."

"The memories that I will take away from St Mary's is the christlike teachers that have taught me, all the kind people and the opportunities I have been given."

"My favourite memory of St Mary's is walking into school for the very first time and looking back at being a year 0 makes me want to cry, it feels like I started school yesterday!"

"My favourite memory from St Mary's is the concerts like the Music Festival and Kapa Haka Concert and the school production Trek to the top."

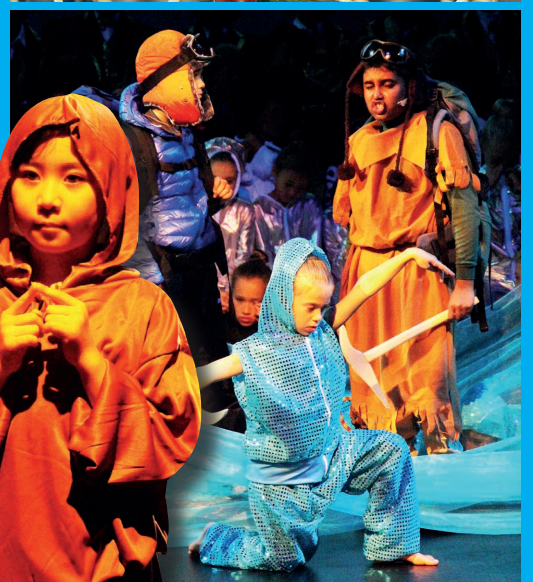

"My favourite time at St Mary's that will stay with me is camp, when my friends and I were stuck in the water floating on the rings."

"The memory that will stay with me is when the senior school went to Totara Springs for our senior camp trip."

"My favourite memory is our school play, Trek to the Top and meeting new friends, going on school camp and jump jam."

75 YEARS
1942 - 2017
Jubilee

St Mary's School 75th Jubilee

The building firm of Street & Street pegged out the land for St Mary's School in 1941, the timber arrived in August and the three-classroom school was ready in January for the 1942 school year. 2017 will be a significant event on our school calendar, when St Mary's Catholic School celebrates 75 years since first opening for instruction. Please go to our school website to register for this historic event.
